

# WHAT IF YOU HAD NOWHERE TO CALL HOME?

HELP US GIVE  
EVERYONE IN OUR  
COMMUNITY A PLACE  
TO COME HOME TO.

---

WILL HELP PROVIDE ONE  
OF OUR VULNERABLE  
NEIGHBOURS WITH  
SOCKS, TOILETRIES,  
BASIC NECESSITIES AND  
A HOT MEAL.

## HOW YOU CAN HELP

The donations we receive allow us to serve and aid the hurt, hungry and homeless.

THE SOCIETY TO END  
HOMELESSNESS IN  
BURNABY

## OUR STORY

The Society to End Homelessness was established in 2017 by the multi-stakeholder Burnaby Task Force on Homelessness (formed in 2005) to build sustainability and provide leadership in the reduction and resolution of homelessness in Burnaby.

The Society works to support individuals experiencing, or at risk of, homelessness in Burnaby. With the increasing cost of living, we now serve 150% more guests at our Outreach Centres.

## WHAT WE DO

The Society to End Homelessness In Burnaby is committed to working with all levels of government, the health authority, social service agencies and other non profit organizations, businesses, faith communities, and concerned citizens to ensure the provision of housing, support services and adequate income for Burnaby residents who are unsheltered or at risk of homelessness in Burnaby.

## SERVICES WE OFFER

### Outreach Resource Centres

A "One-Stop Shop" of services for our vulnerable neighbours so they can easily access basic life necessities and resources for social aid in one convenient location. Our 2 locations operate weekly Wednesday and Thursday in South Burnaby.

### Community Food Hub

Run in partnership with The Neighbourhood Church the Food Hub is a safe, non-judgemental space where our community's most vulnerable can receive essential grocery items with dignity. We operate weekly besides cheque issue week.

### Mobile Shower Program

We offer our guests biweekly access to the basic necessity of a hot shower in an effort to combat the negative stigma of poor hygiene amongst those experiencing homelessness. Guests are provided with fresh towels, clothing, and hygiene supplies.

### Extreme Weather Response

EWR makes sheltering spaces available when the weather is severe enough to pose a higher health risk to people who are unsheltered. It operates during times of extreme heat or cold.
